

10. Jan'y, 1871.

My Dear Oliver.

I wish to tell you
I Bentham (I see you
put up the parcel) - that
the new vol. of Fl.
Austral, I was asking
about has come to hand.
Thanks.

Not in ~~the~~ ^{the} ~~HK.~~ ^{HK.} ~~in~~ ⁱⁿ ~~HK.~~

Hebeoma piperita

I suppose is not authentic
at HK. Kew. But I
may ask if you have
any thing from Mexico
answering to it. - and if
Wright's N. Mex. 1517 &
especially 1521 will not
answer to it.

It is time for the Alg.
ship Portia, but I hear nothing yet!

with 2.5-piperite

a plant of Mex. Bot. Soc.
under Eucaly - with

weight 1517 < 1521 on same
